10. General Administration—Cranganur—Rs. 1,720

Rama Varmha Tampuran.—Sir, I rise to move for an amount of Rs. 1,720 under 10—General Administration—Cranganur. There are no special features to deserve any mention in this particular budget. It is just a repetition of the budgets of previous years. I therefore request that this amount may be passed by this House.

Mr. A. Sankara Poduval.—Sir, I wish to make a few observations with regard to the Cranganur Budget in General. It is very unfortunate that this House has had to consider two

successive deficit budgets for Cranganur. Our responsibility towards the principality of Cranganur (.....)

Deputy President.—The stage of General discussion is over. You could only speak on the motion now before the House.

Mr. A. Sankara Poduval.—With your leave, may I point out that there was no formal presentation of the Cranganur budget. That was why I referred to it to the President this morning.

Mr. P. V. Subramania Ayyar.—Certainly, the Cranganur budget was presented.

Mr. A. Sankara Poduval.—Then I beg to oppose this motion. My object is to see that the Cranganur budget ought not to be passed, as a matter of course. Our responsibiiity to this principality is very heavy.

Mr. P. S. Kesavan Nambudiri—If he opposes the motion previous notice should be given.

Deputy President.—Need not. You may go on.

Mr. A. Sankara Poduval.—I wish to submit to this House that our responsibility towards this principality of Cranganur was almost that of a trustee, whose duty it is to see that the resources are husbanded properly. The fact that we had to face two deficit budgets in succession is a matter of anxiety. Now when I go through the budget I find large amounts allotted for Palace works. I have to cry halt to this wasteful expenditure upon Public works.

Deputy President.—Now we are going on with the General Administration.

Mr. A. Sankara Poduval.—The other Departments will also have to be dealt with here. The demand relates to the general administration of Cranganur, and all these points will come under it.

Deputy President.—Under the head, General Administration there are so many items. You speak on those. Regarding the other heads such as Excise, Public Works etc. you can offer your remarks when they come up for discussion.

Mr. A. Sankara Poduval—I mean to say, Sir, that the General Administration is quite a comprehensive demand. It is made up of all these demands and when we discuss the General Administration, we have also to consider the details which go to make up that head. I mean to say that if this opposition motion be carried, there will be no occasion to consider the other items at all.

Deputy President.—Just as we had in the General Administration of Cochin State, we have to confine our remarks to the General Administration of Cranganur.

Mr. A. Sankara Poduval.—When I have opposed the motion, I think I have to state my reasons for the opposition.

Deputy President.—Yes, you may go on.

Mr. A. Sankara Poduval.—My submission, therefore is, that this matter is quite pertinent, because it comes legitimately within the scope of this motion. I wish to point out in general that we have to pay greater attention in the matter of adjusting the Cranganur budget. I wish to point out that I do not find any corresponding provision for receipts on the score of income-tax in the Cranganur budget. I find in the disbursements column that provision is made for scavenging etc. I do not find any fee for scavenging levied. Now in regard to the big allotments for Education and Public Works, we cannot afford—

Deputy President.—Under General Administration, we have certain sub-heads. You are now dealing with the whole administration as we did in the General discussion of the budget. Under General Administration on page 11 of the printed budget you find three or four points. You can deal with those points only now. The other items will come up when the respective demands are moved.

Mr. A. Sankara Poduval.—With your leave, Sir, may I point out that if this motion be thrown out I shall have no opportunity to deal with them. I want to make a whole-sale condemnation of the General Administration of Cranganur.

Deputy President.—The Secretary to the Diwan has moved the demand under General Administration, Cranganur. You can speak on that only.

Mr. A. Sankara Poduval.—And I have opposed the motion regarding the whole allotment.

Mr. K. Ayyappan.—He was only giving his reasons for opposition to the motion, and he was only going on with Education and Sanitation for giving his reasons. I think they come under General Administration.

Deputy President.—The Member for Trichur opposed the demand for General Administration, Cranganur. He has to confine his remarks to general Administration alone.

Mr. A. Sankara Poduval.—I think it is wrong, on principles of public finance, to allow this demand to be passed. I have to formulate my reasons and in doing so I have to refer to the working of the several departments.

Deputy President.—No. It cannot be allowed. That finally settles the whole thing.

Mr. A. Sankara Poduval.—Sir, I bow to your Ruling.

Mr. K. Ayyappan.—Sir, I support the demand.
